* Deflators were acquired from the Federal Highway Administration Price Trends (1930 - 12-31-2003). All deflators from 2003 - 1980 are given by year. Before 1980 an average value is given per decade.										
** Assume straight-line depreciation, full-year convention, with no salvage value.										
*** Per the Whitley County Surveyor, average replacement cost for county drains is \$20.00/foot
